

**17-19
SEPTEMBER
2018**

Frontiers in Metabolism

Mechanisms of Metabolic Disease

Confirmed Speakers

Alan D. Attie

University of Wisconsin–Madison

Johan Auwerx

Ecole Polytechnique Federale
de Lausanne

Emily P. Balskus

Harvard University

Navdeep S. Chandel

Northwestern University

Joshua J. Coon

University of Wisconsin–Madison

John M. Denu

University of Wisconsin–Madison

Andy Dillin

UC Berkeley – MCB

Robert V. Farese, Jr.

Harvard Medical School

Aleksandra Filipovska

University of Western Australia

Marcia Haigis

Harvard Medical School

Cole Haynes

University of Massachusetts
Medical School

Matthew Hirschey

Duke University

Barbara Kahn

Harvard Medical School

Christian M. Metallo

University of California, San Diego

Vamsi K. Mootha

Massachusetts General Hospital

Jodi Nunnari

University of California–Davis

Markus Ralser

The Francis Crick Institute–London

Jared Rutter

University of Utah

Patrick Seale

University of Pennsylvania,
Philadelphia

Reuben J. Shaw

Salk Institute for Biological Studies

Bruce M. Spiegelman

Dana-Farber Cancer Institute,
Harvard Medical School

Anu Suomalainen

University of Helsinki

Benjamin P. Tu

University of Texas
Southwestern Medical Center

Matthew G. Vander Heiden

Massachusetts Institute of
Technology

Claudio J. Villanueva

University of Utah

Organizers:

David J. Pagliarini

Jenelle Gierhart-Sutter
